HYBRID AND ELECTRIC VEHICLE BREAKDOWN INSURANCE

Premium protection for electric and hybrid vehicles powered by Quest Insurance and backed by AA Roadside Service.

Please read this section carefully as it contains important information about your Mechanical Breakdown Insurance Policy.

**Thank you for choosing Quest Insurance
“Quality insurance you can rely on”**

Quest Cover

Your vehicle is covered for the reasonable cost of repairs of the actual failed mechanical or electrical components due to a sudden and unforeseen happening which falls within the terms and conditions of this insurance contract. Payment shall include the reasonable cost to reinstate the vehicle to a condition no way inferior to that at policy inception.

The most we will pay for any one claim under this policy is the maximum claim entitlement as stated on your insurance policy schedule and the most we will pay for the total of all claims made within the policy period is limited to the current market value of your vehicle at the time a claim is lodged.

QUEST ROADSIDE ASSISTANCE

24 HOURS A DAY / 365 DAYS A YEAR

The vehicle nominated on the policy certificate is eligible to make up to three Quest Roadside Assistance callouts per year to a maximum value of \$100 per event. The benefits of Quest Roadside Assistance as follows **(as supplied by the New Zealand Automobile Association or NZAA)**

Flat Battery / Jump Start

If the vehicle battery is flat and your vehicle will not start, Roadside Assistance will tow the vehicle to your home or a charging station, whichever is closer.

Lost Keys / Lockout Service

We will arrange a locksmith to help get you back into your vehicle. Any replacement keys will be at your cost. Locking the keys in the car is something that can happen to anyone. We will arrange to have someone come to you so you can be on your way again.

Flat Tyre Service

In the event of a flat tyre, we will change the tyre for you. If there is no spare or the spare is unusable, we will arrange towing to the nearest tyre repairer, at your expense.

Out of fuel Service

If you run out of petrol or diesel then we will deliver to you up to \$30 worth of fuel to get you going again. The delivery is free however, you will be charged for the fuel itself. If we cannot get fuel to you then we will transport your vehicle to the nearest service station but all transportation costs will be at your expense. If you have accidentally filled up with the wrong fuel then we can arrange for your vehicle to be transported to the nearest repairer or service station where arrangements can be made to get you going again. The transportation of your vehicle will be at your expense.

Towing (excluding Accident)

If your vehicle has a mechanical problem and cannot be mobilised at the time of the breakdown, we will arrange to tow the vehicle to the nearest approved repairer. Note that towing cost is limited to \$100.00 any cost over and above this amount will be at the driver's expense.

For assistance phone Quest Roadside Assistance direct on 0800 229 059

You will need to quote your vehicle registration number. Call us any time, day or night and Quest Roadside Assistance will be on the way.

Quest Roadside Assist does not apply under the following circumstances

- Transporting any cargo you may have in your vehicle
- Vehicles that have had unauthorised repairs attempted which may have damaged the vehicle
- The NZAA is not responsible for any subsequent repair costs
- The fitting of snow chains
- Unattended vehicles or vehicles over 3500 kg gross laden weight
- Recovered stolen vehicles or vehicles that are not roadworthy or safe, or have been operated in an unsafe or illegal manner
- Vehicles which are not on public or formed roads, or which are trapped or bogged
- When the vehicle was being used for racing, pace making, speed testing, reliability trials and competitions or off road activities at the time of the breakdown
- Vehicles that will not operate as a result of a motor vehicle accident
- Any time when it would be dangerous or illegal for NZAA personnel or contractors to repair, load or transport the vehicle and/or its occupants

- Vehicles carrying loads beyond legal limits
- Vehicles at a repairer's premise or garage.

QUEST CUSTOMER ADDITIONAL BENEFITS

If the vehicle breaks down more than 100km from you home, in addition to the normal roadside assist cover, Quest also provides the following benefits to a maximum claim limit of \$500. Should the vehicle undergo insured repairs after authorisation by Quest Insurance, then the owner shall be entitled to these additional benefits:

Rental vehicle \$360

Where the nominated vehicle breaks down more than 100km from you home and the nominated vehicle cannot be repaired within the same day as the breakdown, we will provide a replacement vehicle of a similar size, where possible and subject to availability, for a maximum of three (3) days and at a rate of \$120.00 per day (GST Inclusive).

Accommodation \$360

Where the nominated vehicle breaks down more than 100km from you home and requires warranty repairs to be carried out and overnight accommodation is required, arrangements will be made for the driver and passengers up to a rate of \$120.00 per night (GST inclusive) for a maximum of three (3) nights. However, should the driver choose not to take accommodation entitlement, the hire period of the replacement vehicle can be extended.

Alternative transport \$120

In the absence of a replacement vehicle, or if the driver so chooses we will arrange for the most comfortable and convenient means of transportation (i.e. bus, train or plane) to enable the driver of the nominated vehicle and any travel companions to continue their journey to a maximum of \$120.00 (GST Inclusive) per incident.

Finance Instalment \$200

In the event of a repair taking longer than 30 days from the date of the authorisation of the repair, Quest Insurance will contribute \$200 to the cost of instalments in relation to the vehicles finance if applicable.

Taxis, Uber and Shared Rides

Cover available subject to payment of additional premium.

SERVICING REQUIREMENTS

All vehicles must be serviced by any AA Approved or MTA registered repairer every 10,000 kilometers or in accordance with the manufacturer's service schedule for the vehicle, or within 12 months, whichever occurs first. Each service should follow the manufacturer's recommendations, and include at least the following:

- Change engine oil and oil filter
- Check spark plugs and replace as necessary
- Check and pressure test cooling system, including all hoses and joints and replace if required
- Inspect cam belts, all drive belts and replace if visually worn, cracked or frayed, or as required
- according to manufacturer's age and mileage guidelines for replacement.
- Check all fluid levels and top up if required

- Check air/fuel filters and replace if required
- Check turbo oil feed pipe (where applicable)
- Check transmission oil level and condition, replace if required (Then full service according to manufacturer's recommendations)
- Check braking system (including all hoses and brake fluid condition) and replace, top up as required
- Check CV boots and replace as required
- Check steering and suspension
- Check air conditioning system

IMPORTANT NOTE: Failure to comply with these requirements will invalidate cover. Please ensure that you retain your service invoices, as these will be required in event of a claim.

EXCESS

The excess amount as shown on your Certificate of Insurance applies each unrelated claim.

Unrelated claims are those repairs where one failed component has not directly caused the failure of another component therefore each repair is treated as a separate claim.

You must pay the excess to the repairer before you collect your vehicle.

EXCLUSIONS

The following events will not be covered under the policy:

Price of parts - More than the manufacturer's recommended retail price for any component.

Recalled parts - For any part subject to recall by the manufacturer for repair or replacement, your policy may not be valid.

TRANSFERRING

This policy is transferrable should the vehicle be sold privately provided the vehicle has been maintained and serviced in accordance with the requirements set out under the heading "Servicing Requirements" and provided the policy has remained free of any previous claims.

Transfer applications are to be received in writing with the new owners details and the vehicles odometer reading at the time of transfer. A transfer fee of \$75 (incl. GST) is payable upon acceptance of the transfer application.

CANCELLATIONS

If the insured vehicle is returned to the vendor/dealer or you are not completely happy with the cover provided by this policy and notify Quest insurance in writing within 14 days from the date of purchase, we will refund any premiums you have paid to us provided you have not made a claim under the policy.

This policy can be cancelled under the following circumstances and no refund will be given:

- If you fail to comply with any provision of this policy or if you or anyone on your behalf makes a dishonest claim under this policy or a dishonest statement in support of a claim under this policy
- Where the servicing requirements have not been met as listed within this policy wording
- Where the total paid in claims exceeds the purchase price of the vehicle.

If we void or cancel this policy under any of these circumstances, you will be notified in writing at your last known postal address and you will not be entitled to any refund of premium. Such cancellations shall be effective from 4pm on the 7th day after posting by us.

CLAIM LIMITS AND CONDITIONS

All covers and benefits are subject to Quest's prior approval. Your policy certificate shows the claim limit for any one breakdown as well as the claim limit for the Lithium-Ion Battery cover.

Note: There is no limit to the number of claims that can be made during the policy period up to the point where the total of paid claims exceeds the original purchase price of the vehicle.

Claim Limits:

- All vehicles up to 150,000 kms \$5,000
- All vehicles up to 225,000 kms \$3,000
- All vehicles up to 300,000 kms \$2,000

The odometer reading outlined above is as at the policy start date/the commencement of cover.

OTHER CONDITIONS

Public legal roads - Service will only be provided to your vehicle if it's disabled on constructed roads or driveways that are legally and safely trafficable by conventional two-wheel drive vehicles or the towing/recovery vehicle (where required) as determined by Quest's service provider.

Vehicle rescue - Where your vehicle becomes disabled off legally designated or formed public roads (such as beaches, fields or creek beds), vehicle rescue may be arranged at the discretion of Quests service provider, and at the driver's expense.

Bogged vehicle recovery - Service will be provided to your vehicle if it is stranded on a public road and where no special equipment such as power winches or extended cables are required.

Special equipment - Should special equipment be necessary to effectively deliver service or where the Quest service provider has to return to their facility to obtain any special equipment, the additional cost involved will be charged to and paid by the driver.

Natural disasters - Quest and its service providers reserve the right to alter or to offer alternative assistance where a natural disaster places extraordinary demands on the provisions of service. Where your disabled vehicle cannot be reached (for example due to floods, slips or fire), Quest or its service provider will attempt to provide whatever alternative assistance is practical under the circumstances.

Any such assistance will be at the discretion of Quest and its service provider and will not be unreasonably withheld. Quest will provide assistance on a best endeavours basis and offer to contact a towing contractor to attend the vehicle.

Unattended vehicles - Should your vehicle be found unattended; you will not receive service under any circumstances. The owner or the owner's authorised representative must wait with the vehicle until Quest's service provider arrives. Where your vehicle is found to be unattended, the roadside assistance job will be aborted. Any subsequent calls for service (deemed by Quest's service provider to be for the same incident) will be at the driver's expense.

Claims: Ensure that the service Manager of the Approved Repairer (NZAA or MTA) contacts us on 0800 800 783 before commencing any repair work and supplies the following information - Your Policy number, Odometer reading when component failed, Cause of failure, Approximate cost of repairing or replacing the component, Vehicle's registration number and Service history.

No repairs should commence until authorised by Quest Insurance.

CLAIMS PROCEDURE

If your vehicle has a mechanical or electrical breakdown that may entitle you to make a claim under this policy you should:

- Contact the Quest Claims Team on 0800 QUEST (0800 800 783) to notify them of claim. Quest Claims will provide you with further information.
- If the vehicle can be driven safely without causing further damage, take it to the nearest approved repairer. Repairs must be carried out by an approved repair facility.
- If the vehicle cannot be driven, contact the Quest Road Service Team on 0800 229 059. The service is available 24 hours a day, 7 days a week. The team will attempt to diagnose and repair the breakdown at the roadside and, if necessary, will provide a tow. You may be required to pay costs incurred and then seek reimbursement under this policy.
- Hand this policy to the approved repairer and ask the service manager to contact Quest for permission to proceed. The repairer should provide the following:
 - Your policy number
 - Your vehicle's odometer reading at the time of the breakdown
 - Your vehicle's registration number
 - Your vehicle's service history
 - Initial diagnosis of the problem
 - Estimated cost of repair

Quest may need to arrange for an assessor to inspect the vehicle prior to approving a claim. Quest cannot pay for any work performed on your vehicle without our prior approval.

Advise Quest if there are any additional labour or parts required after the initial approval of the claim. Quest must approve the additional costs prior to them being incurred.

After the claim has been approved and the repair work finalised, submit the repair invoices with copies of any outwork and parts invoices to Quest. Quest will not pay more than the recommended retail prices for parts or outwork. Quest reserves the right to supply or repair any components for the repair.

Dismantling may be required to determine if there is a valid claim. Quest will reimburse the cost of dismantling if we approve your claim but only you can authorise the dismantling of your vehicle.
